## **Per Drop More Crop Drip & Mini Sprinkler Irrigation Programme (PMKSY)**

---

### **1. Background**

The Government of India had launched Centrally Sponsored Scheme on Micro Irrigation with the objective to enhance water use efficiency in the agriculture sector by promoting appropriate technological interventions like drip & sprinkler irrigation technologies and encourage the farmers to use water saving and conservation technologies.

- a) The Scheme was launched by the Department of Agriculture & Cooperation, Ministry of Agriculture in January, 2006 as Centrally Sponsored Scheme on Micro Irrigation (CSS). In June, 2010, it was up-scaled to National Mission on Micro Irrigation (NMMI), which continued till the year 2013-14.
- b) From 1st April, 2014, NMMI was subsumed under National Mission on Sustainable Agriculture (NMSA) and implemented as “On Farm Water Management” (OFWM) during the financial year 2014-15.
- c) From 1st April 2015, Micro Irrigation component of OFWM has been subsumed under Pradhan Mantri Krishi Sinchayee Yojana. It will be implemented as Centrally Sponsored Scheme on Micro Irrigation during the financial year 2015-16 as per the same pattern of assistance and cost norms as were prevailing under OFWM, until revised.
- d) The Union Cabinet has approved the programme ‘Pradhan Mantri Krishi Sinchayee Yojana (PMKSY)’ on 1<sup>st</sup> July, 2015, that will have following programme components:
  - Accelerated Irrigation Benefit Programme (AIBP) for major & medium irrigation including National Projects.
  - PMKSY (Har Khet ko Pani) for minor irrigation (both surface & ground water) including water sources, harvesting structures & distribution system
  - PMKSY (Per Drop More Crop) for micro irrigation including drip, sprinkler, rain guns on the farm
  - PMKSY (Watershed Development) for rain water harvesting & water shed.
- e) The major objective of PMKSY is to achieve convergence of investments in irrigation at the field level, expand cultivable area under assured irrigation, improve on-farm water use efficiency to reduce wastage of water, enhance the adoption of precision-irrigation and other water saving technologies (Per Drop More Crop), enhance recharge of aquifers and introduce sustainable water conservation practices by exploring the feasibility of reusing treated municipal waste water for peri-urban agriculture and attract greater private investment in precision irrigation system.

## 2. Present Status of Micro Irrigation in Haryana :

- Micro irrigation started in Haryana under mission mode in 2006-07.
- For the year 2015-16 the micro irrigation programme is being implemented under Pradhan Mantri Krishi Sinchayee Yojana (PMKSY) (Per Drop More Crop) as per norms and guidelines of National Mission on Sustainable Agriculture.
- The MI programme is being implemented through a web portal namely MI-NET since 2012-13 in the State. Every process from application submission to release of assistance is being done through MI-NET. In current financial year, assistance of micro irrigation system shall directly credited into the account of beneficiary/farmer and the account shall link with Aadhar Card.
- Keeping in view of objective to enhance the adoption of precision-irrigation and other water saving technologies, annual action plan of Haryana State for the year 2016-17 to cover the area of 25200 ha under drip irrigation and mini sprinkler system has been approved by GOI & State Level Sanctioning Committee(SLSC).
- State Level Committee (SLC) has been constituted under NMSA and decided that "*Horticulture Department shall coordinate Micro Irrigation Programme and take necessary action for arrangement of funds*".
- Physical & financial progress (Horticulture & Agriculture Crops) under MI scheme

**Physical Progress 2006-07 to 2015-16 (Area in ha.)**

Sr. No.	Year	Drip	Sprinkler	Total
1	2006-07	812	1864	2676
2	2007-08	1041	6735	7776
3	2008-09	2139	20170	22309
4	2009-10	2468	790	3258
5	2010-11	3900	5254	9154
6	2011-12	2751	5961	8712
7	2012-13	2645	3914	6559
8	2013-14	2504	3860	6364
9	2014-15	1550	1850	3400
10	2015-16	1756	1360	3116
	<b>Total</b>	<b>21566</b>	<b>51758</b>	<b>73324</b>

**Financial Progress 2006-07 to 2015-16 (Rs. in lakhs)**

Sr. No.	Year	Available budget	Expenditure	Percentage utilization
1	2006-07	583.69	235.74	40
2	2007-08	1124.36	645.2	57
3	2008-09	2113.62	1891.39	89

10	2015-16	4416.75	2000.45	45
	<b>Total</b>	<b>32354.86</b>	<b>27732.16</b>	<b>86</b>

### 3. Implementation Mode

Micro irrigation programme under Per Drop More Crop of PMKSY scheme is being implemented in Horticulture & Agriculture Department. The concerned departments implementing MI scheme for their concerned crop. The following components are being covered in micro irrigation programme under Per Drop More Crop of PMKSY scheme on MINET (the matter of micro irrigation systems for agriculture crops on MINET is under process) in Haryana State:

- a) Drip Irrigation System (Horticultural & Agricultural Crops)
- b) Mini Sprinkler System (Horticultural & Agricultural Crops)
- c) Portable Sprinkler System (Agricultural Crops)

### 4. DDP/DPAP Area

- a) DDP : Desert Development Programme
- b) DPAP : Drought Prone Area Programme

As per GOI guidelines, there is 10-15% additional assistance provision for farmers pertaining to DPAP/DDP districts instead of Non-DPAP/DDP districts. The detail of DPAP/DDP and Non-DPAP/DDP districts is given as under:

S.N	DPAP/ DDP District	S.N	Non- DPAP/ DDP District
1	Jhajjar	1	Panchkula
2	Sirsa	2	Yamunanagar
3	Fatehabad	3	Ambala
4	Hisar	4	Kurukshtetra
5	Bhiwani	5	Kaithal
6	Mahendragarh	6	Jind
7	Rewari	7	Karnal
		8	Panipat
		9	Sonepat
		10	Gurugram
		11	Mewat
		12	Faridabad
		13	Palwal
		14	Rohtak

### 5. Type of Farmer

Generally in Haryana State, farmers usually have small land holdings & categorized accordingly. The farmer type depending upon ownership of total land holding is defined as under:

- a) Marginal Farmer - Area up to 1.0 ha.
- b) Small Farmer - Area from 1.0 ha. to 2.0 ha.
- c) Other General Farmer - Area greater than 2.0 ha.

## **6. Category of farmer**

On MINET portal, all type of farmers are eligible for applying application for assistance on supply and installation of micro irrigation system in the State. The assistance rate in case of SCSP farmers is 15% more in comparison to other farmers.

## **7. Assistance Rate**

Haryana State Govt. providing 15% additional assistance to all category of farmers & 15% additional assistance to scheduled caste farmer over & above the other category farmers both in DPAP/DDP and Non-DPAP/DDP area. The final assistance pattern in the State is as under:

S.N	Category of farmer	General Farmers (%)	Scheduled Caste Farmers (%)
A.	Small & Marginal		
	Non-DDP/DPAP	60	75
	DDP/DPAP	75	90
B.	Other General		
	Non-DDP/DPAP	50	65
	DDP/DPAP	60	75

## **8. Scheme Monitoring**

The following officers shall monitor & physical verify the micro irrigation system as tabulated below:

S. N.	Designation of Officer	Percentage
1.	Subject Matter Specialist	100
2.	District Horticulture Officer	10
3.	Dy. Director Horticulture (Field)	2

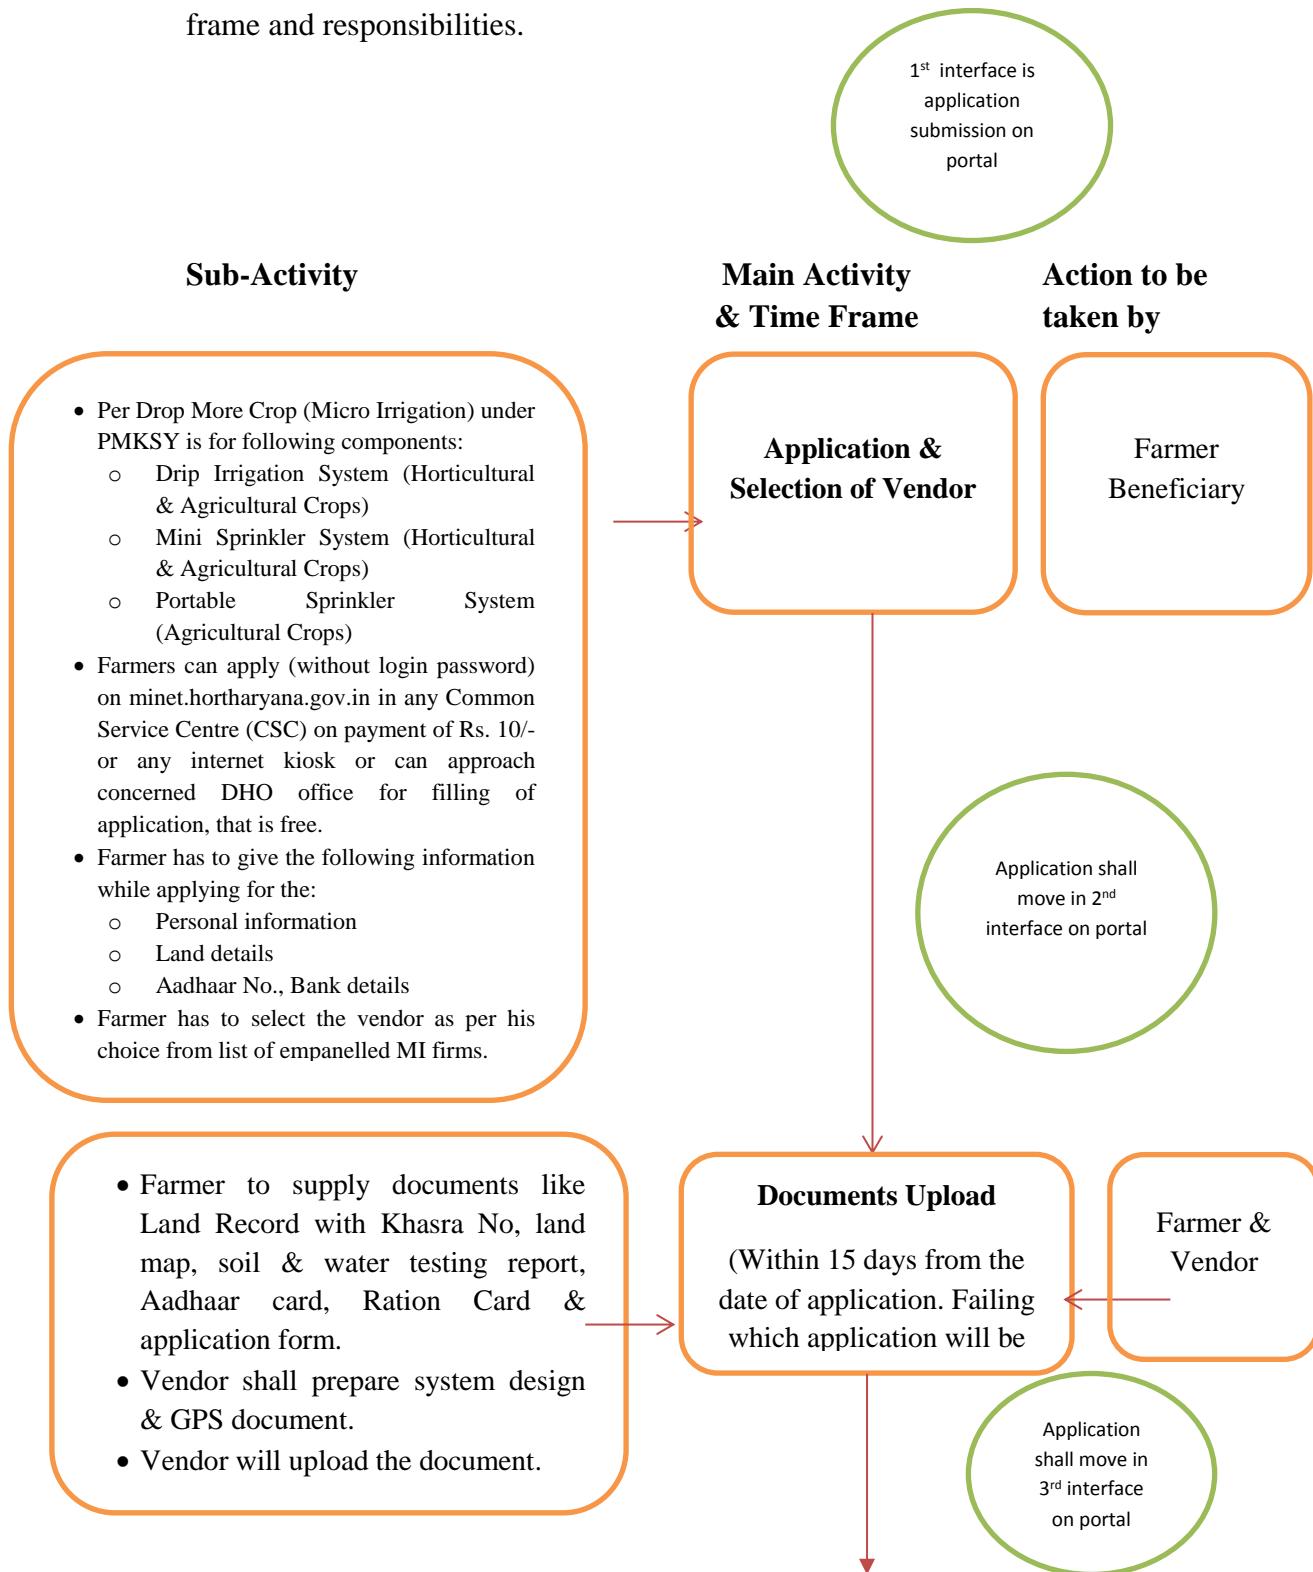

- All the physical inspections shall be GPS based having field co-ordinates.
- The physical inspection shall be conducted jointly by all the concerned officers including third party (NABCONS, if appointed), firm representative/authorized signatory & concerned farmer beneficiary.
- This joint inspection as per the norm above shall be conducted before releasing the subsidy.
- The team shall be responsible for area, system components, specifications and quantity of MI system.
- The officers at the level of Joint Director &/or Dy. Director/HQ shall visit the field & evaluate the micro irrigation programme at least twice a month.

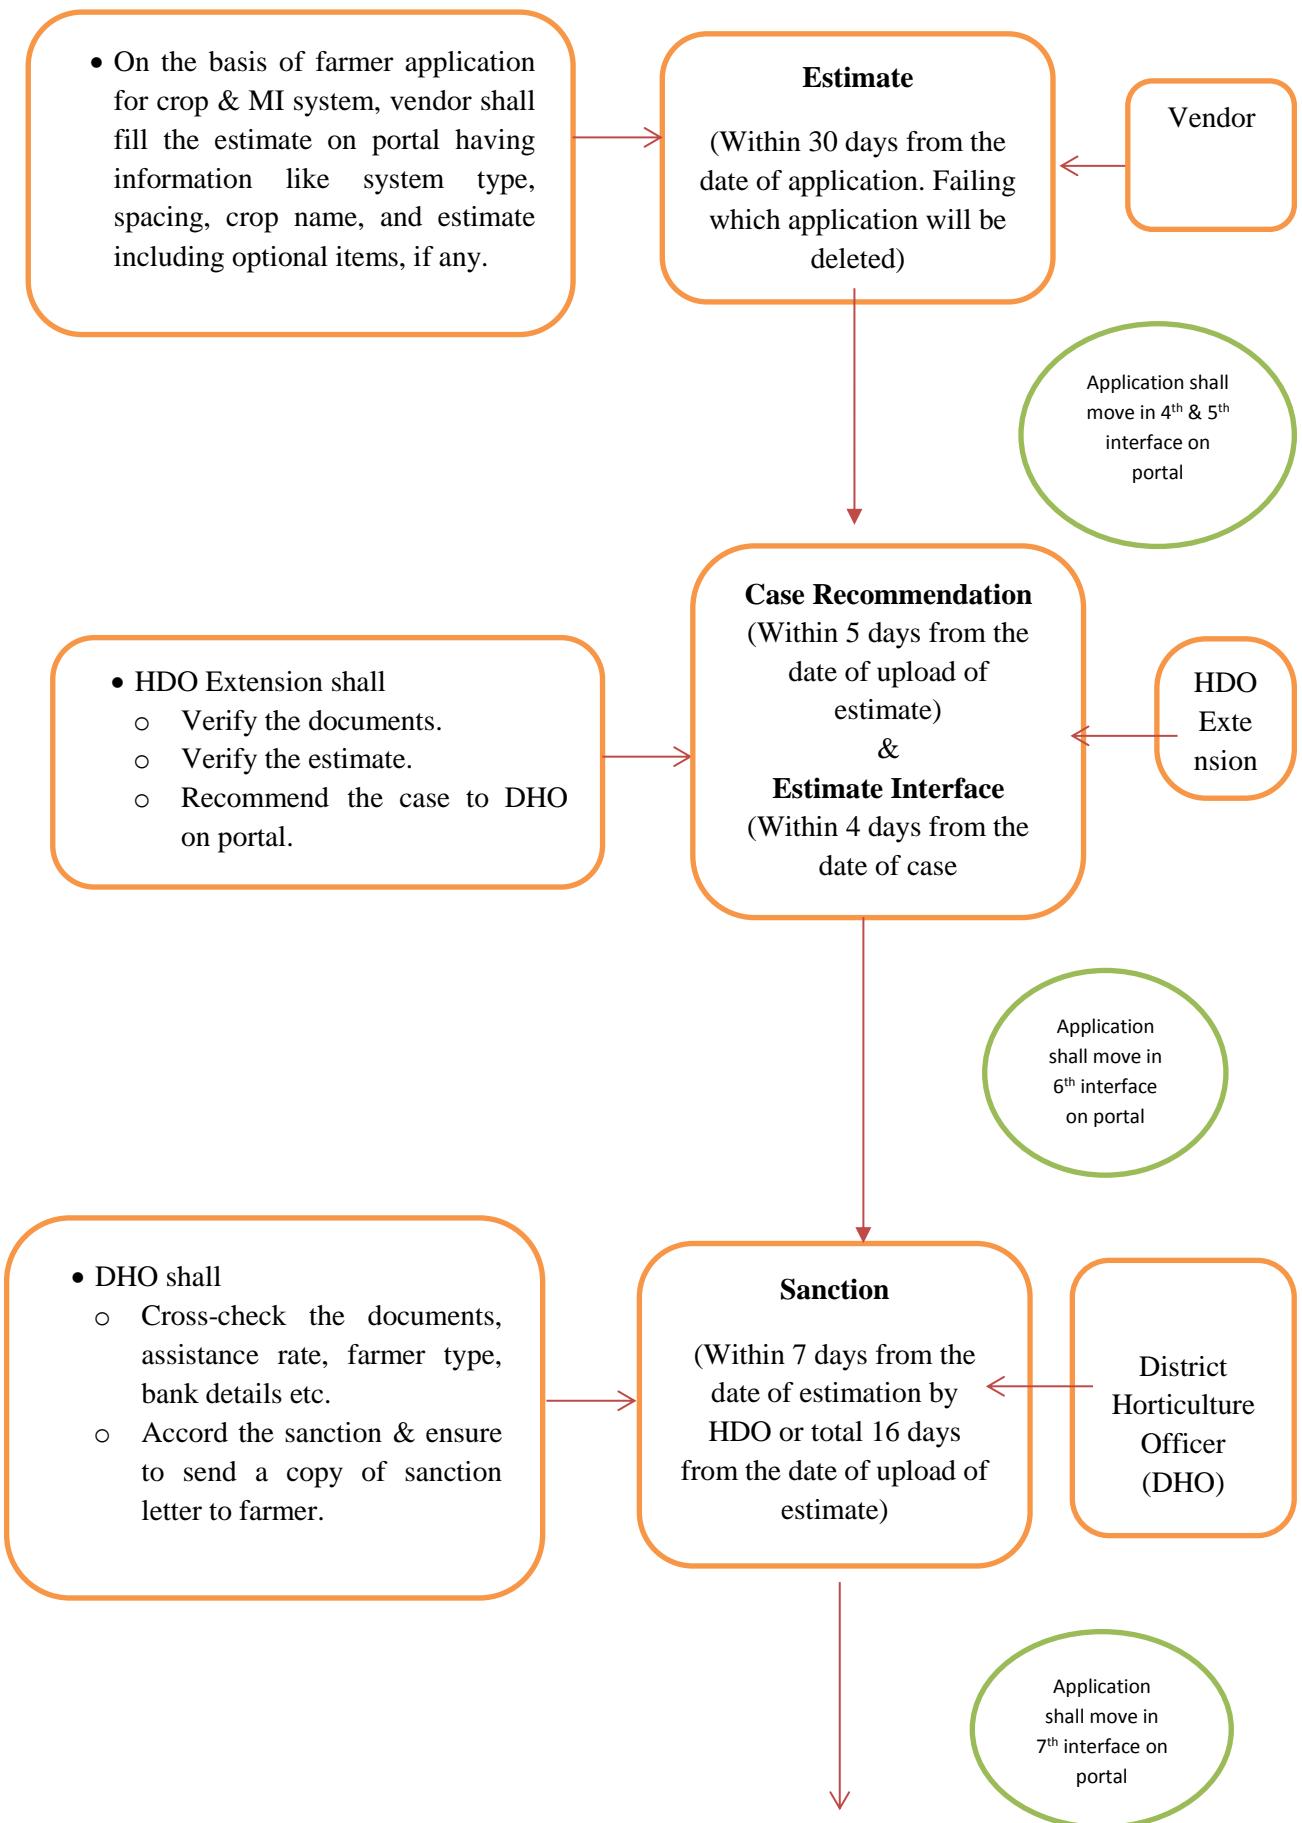

## **9. MINET Web Portal & Work Responsibilities during various interfaces**

- a) **Website address:** Department of Horticulture is implementing micro irrigation programme on online web portal namely as MINET. All the process from

submission of application to release of assistance are processed online on above portal. The web address of MINET portal is <http://minet.hortharyana.gov.in>

- b) The following **type of reports** can be generated on MINET.
  - a. General, Backward Class, Other Backward Class, SCSP farmers & Women farmers
  - c) **Flow Chart:** Steps of implementation of MI Programme from application submission to final release of assistance are enlisted in flow chart along with time-frame and responsibilities.

- Vendor shall
  - Install the micro irrigation system within 45 days from date of sanction, otherwise seniority of that application will automatically stand at last.
  - For wrong estimation & intimation, MI firm shall be penalized and even blacklisted.

### Installation Intimation

(Within 45 days from the date of sanction)

Vendor

Application shall move in 8<sup>th</sup> interface on portal

- Departmental nominee/NABCONS shall
  - Conduct physical verification with the help of GPS device
  - Fill up the inspection report (form 4 & 4A)
  - Submit the complete observation on MINET with the help of GPS device.

### Physical Verification

(Within 15 days from the date of installation intimation)

Departmental Nominee/ NABCONS

Application shall move in 9<sup>th</sup> interface on portal

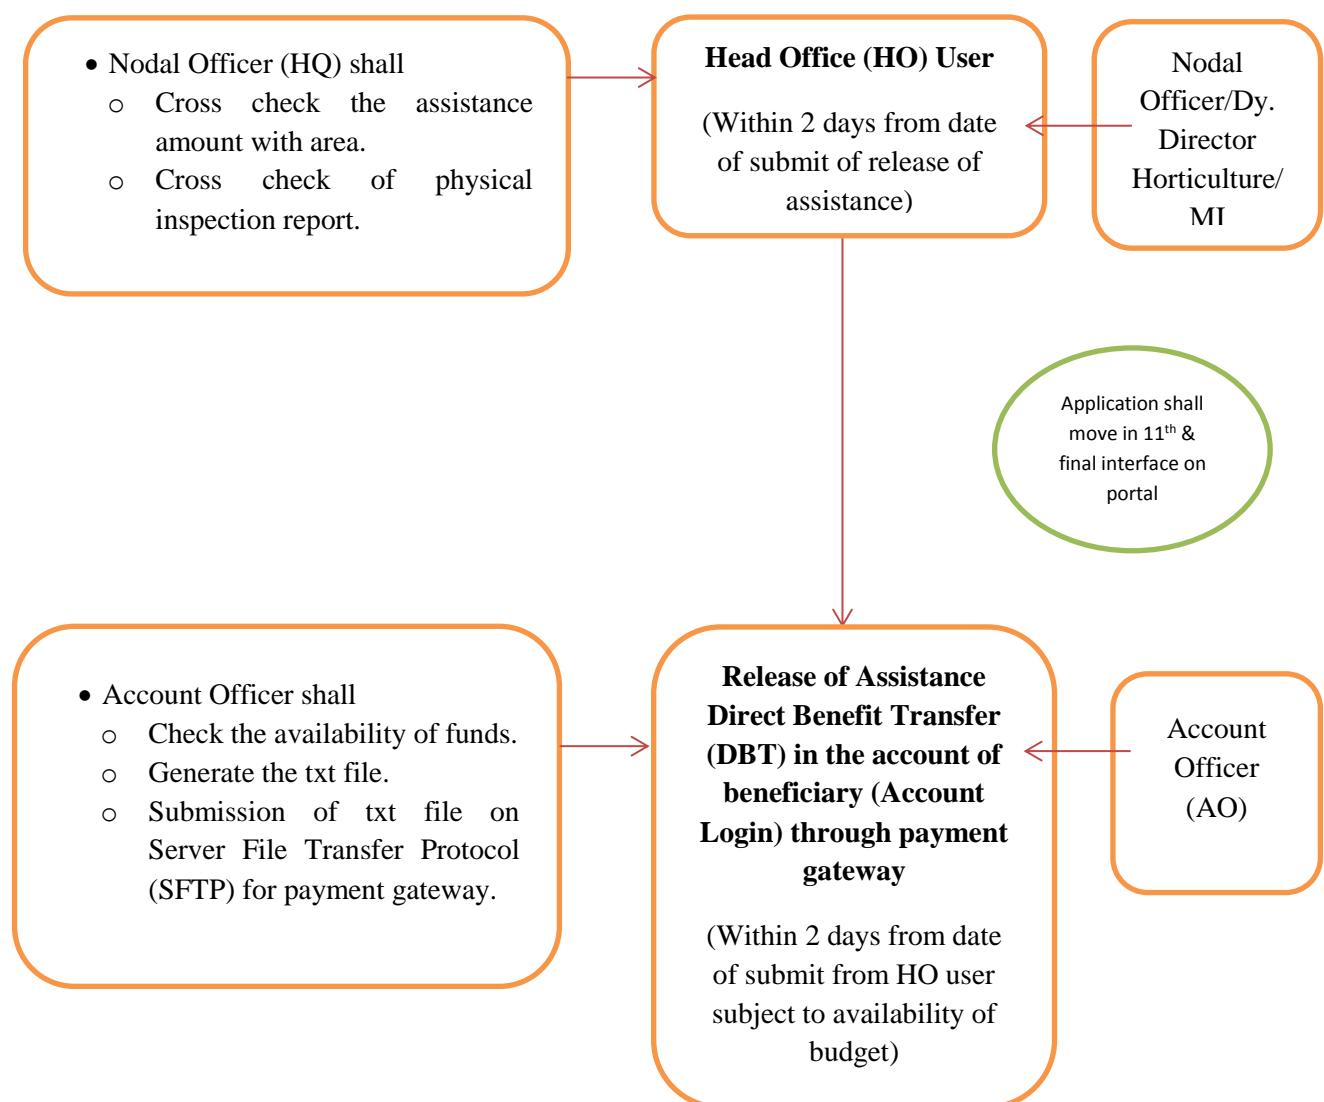

- DHO shall
  - Cross checking of Aadhaar Card no. & Bank details
  - Cross checking of form 4 & 4A with physical verification and financial sanction report.
  - Verify the assistance according to area.
  - Submit the case on portal for release of assistance.

### Submit for Release of Assistance

(Within 7 days from date of successful physical verification)

District Horticulture Officer

Application shall move in 10<sup>th</sup> interface on portal

## 10. Empanelment of MI Firms

On the basis of e-tender regarding empanelment of micro irrigation firms for supply and installation micro irrigation system in the State L<sub>1</sub> to L<sub>10</sub> bidders are shortlisted for supply and installation of drip irrigation and mini sprinkler system individually.

1. **For Drip Irrigation** (inline and online)
2. **For Mini Sprinkler Irrigation**

**The list is as under:**

## For Drip Irrigation (inline and online) System

S.N.	Name of MI Firm	Address	Name of contact person	Contact no.
1.	M/s Signet Industries Ltd	314/3, SDA Compound, Dewas Naka, Lasuria Mori, Indore-452001, <a href="mailto:aryanpatel181@gmail.com">aryanpatel181@gmail.com</a>	Mr. Sishupal	08950476007
2.	M/s Captain Polyplast	267, Plot No. 10A, 10B & 11, NH No. 27, Shapar (Veraval) Distt. ## 11. Terms & Conditions for MI Work Execution

### a) Obligations of farmer

- i. Farmers can apply (without login password) on [minet.hortharyana.gov.in](http://minet.hortharyana.gov.in) in any Common Service Centre (CSC) on payment of Rs. 10/- or any internet kiosk or can approach concerned DHO office for filling of application.
- ii. Farmer has to give the following information while applying for the:
  - o Personal information
  - o Land details
  - o Aadhaar No., Bank details
- iii. Farmer has to select the vendor as per his choice from list of empaneled MI firms.
- iv. Farmer to supply documents like Land Record with Khasra No, land map, soil & water testing report, Aadhaar card, Ration Card & application form.

### b) Assistance pattern & rates

- i. Assistance is permissible only on compulsory items installed in micro irrigation system. Further, it is intimated that subsidy/assistance shall not be provided on optional components. If farmer install optional components in their field then he have to bear the total cost of optional component installed.

- ii. Farmer is free to negotiate the rate with manufacturer/firm. The negotiation of rates can be in the form of percent discount on the cost of system.

**c) Conditions & Obligations of MI firm**

- i. The MI firm should be a Manufacturer of at least laterals & emitters conforming to BIS standards for online drip irrigation systems & emitting pipes for inline drip irrigation system.
- ii. The MI firm should be a Manufacturer of at least laterals & mini sprinkler conforming to BIS standards for mini sprinkler systems or in case of manufacturer of mini sprinkler; bidder should have MOU with manufacturer of mini sprinklers.
- iii. The manufacture shall have to emboss its name on pipes/laterals at spacing of every five meter length.
- iv. The firms/companies will provide GPS device reading for co-ordinates of each installation along with the design map.
- v. The empaneled company will supply the BIS marked material.
- vi. Report of manufacturing of material in the factory and supply to Haryana State under PMKSY will be furnished by the firm as and when it may be asked.
- vii. The material should be supplied directly by the manufacturers or their authorized distributors/dealers. In all cases, the manufacturers must authenticate the invoices.
- viii. For checking of quality of material during sampling of MI components, the cost of sample testing shall be borne by firm itself.
- ix. The empaneled firm shall take the responsibility in case of any dispute arising from the supply of product used in MI system through their distributor or dealer.
- x. Any further inclusion of dealer/distributor departmental permission is mandatory. The dealer/distributor that has not TIN/RST/CST No. will not be entertained.
- xi. The firm/ company must provide free after sales service to the farmers for at least three years from the date of vendor bill/installation of Micro Irrigation (MI) systems. Moreover, they should set up service centres for providing technological and agronomic support at the grass root level.
- xii. The firms/manufacturers should provide detailed operational & maintenance manuals in the vernacular language at the time of installation of the system and provide proper orientation for the operation and maintenance of drip/sprinkler irrigation systems and one copy of above shall be provided to Department at HQ also.
- xiii. Manufacturer must have qualified engineers for estimation and designing, technical guidance to the farmers.
- xiv. Firm/company declared by Govt. of Haryana to be ineligible to participate for corrupt, fraudulent or any other unethical business practices shall not be eligible during the period for which such ineligibility is declared.
- xv. Breach of general or specific instructions for bidding, general and special conditions of contract with Govt. of Haryana may attract a proceeding to

declare a firm/company ineligible for a certain period or certain number of consecutive tender calls

**d) Bank Guarantee for empanelment**

- i. The empanelled firm has to maintain its bank guarantee of Rs. 10.00 Lakh with Director General Horticulture, Haryana for a period of three years from the date of empanelment. Further, the firm have to submit above bank guarantee of Rs. 10.00 Lakh within 15 days from the date of issuance of empanelment letter along with list of authorized signatory & user manual guide for which firm has been empanelled.

**e) Penalty in case of non-performance**

**i. Non-performance by the firm in the 1<sup>st</sup> three months**

In case the empaneled firm does not execute (installation of MIS) work of minimum Rs. 10 lakh in the first three month during the empanelment period, then its empanelment shall be cancelled & next waiting list firm shall be considered for empanelment.

**ii. Non-performance by the firm in the first year**

Further, in case the empaneled firm does not execute (installation of MIS) work of minimum Rs. 50 lakh in the first year during the empanelment period, then its empanelment shall not be renewed in the next year and next waiting list firm shall be considered for empanelment.

**iii. Non-compliance of terms of empanelment**

- 1) In case of non-compliance of terms, firm empanelment will be cancelled and its empanelment fee & BG will be revoked.
- 2) After 20 wrong installation intimation of MIS, said firm shall be blacklisted & Bank Guarantee shall be revoked.
- 3) For each wrong installation intimation, firm have to pay Rs. 2500/- per case for re-inspection as penalty charges.

iv. The empanelment of MI firm shall be cancelled in case of violation of guidelines and instructions issued by Govt. of India and Director General Horticulture, Haryana.

v. Any ambiguity/mistake noticed in empanelment may be represented for reconsideration and further necessary action.

vi. All disputes of differences relating to empanelment of firms shall be referred for arbitration to the Director General Horticulture, Haryana, whose decision shall be final and binding on all the parties. If the matter is not referred for arbitration within the specified period, all the rights and claims under the contract shall be deemed to have been forfeited and absolutely barred.

vii. All disputes relating to empanelment of firms will be settled within the jurisdiction of court at Panchkula.

**f) Obligations of department (Interface wise)**

- **HDO Extension shall**
  - Verify the documents like land record, land map, system design, aadhar card, farmer type, soil & water testing report etc.
  - Consider self-attested documents either original or photocopied pertaining to farmer like land record, land map (not old more than one year), aadhar card, ration card & photo ID proof.
  - Verify the estimate as per type of micro irrigation system for which applicant/farmer has been applied for assistance.
  - Recommend the case to DHO on portal.
- **DHO shall**
  - Cross-check the documents, assistance rate, farmer type, bank details, farmer share etc.
  - Accord the sanction & ensure to send a copy of sanction letter to farmer
- **Departmental nominee/NABCONS shall**
  - Conduct physical verification with the help of GPS device
  - Fill up the inspection report (form 4 & 4A)
  - Submit the complete observation on MINET with the help of GPS device.
- **DHO shall**
  - Cross checking of Aadhaar Card no. & Bank details
  - Cross checking of form 4 & 4A with physical verification and financial sanction report.
  - Verify the assistance according to area.
  - Submit the case on portal for release of assistance.
- **Nodal Officer (HQ)/DDH/MI shall**
  - Cross-check the assistance amount with area.
  - Cross-check of physical inspection report.
- **Account Officer shall**
  - Check the availability of funds, if available,
  - Generate the txt file.
  - Submission of txt file on Server File Transfer Protocol (SFTP) for payment gateway.
  - If not, Account Officer shall hold the case by taking case under objection.

## 12. Annual Action Plan 2016-17

<b>Per Drop More Crop (PMKSY) AAP : 2016-17</b>							
<b>COMPONENTWISE SUMMARY</b>							
	Component	Physical (Ha.)	GOI Share (₹ in lac)	State Share (₹ in lac)	Admn. Cost @ 5% on GOI (₹ in lac)	Total GOI Share including Admn. Cost (₹ in lac)	Total Assistance (₹ in lac)
a	<b>Horticulture Crops</b>

# Application (Form-1)

**HORTICULTURE DEPARTMENT HARYANA**  
**Pradhan Mantri Krishi Sinchayee Yojana**

Drip/Mini Sprinkler ownership application form  
(Each column of application form must be filled)

	Only office use:
Application No.	Date of application:
	Date of document checking:
	Date of entry:

**To be filled by farmer**

**1. General Information**

Farmer Name : \_\_\_\_\_ Category \_\_\_\_\_(ST/SC/OBC/GEN)

Address :

---

Tehsil: \_\_\_\_\_ Gram panchayat: \_\_\_\_\_ Block: \_\_\_\_\_

Village : \_\_\_\_\_ Pin Code : \_\_\_\_\_ District \_\_\_\_\_

Phone No. (STD Code \_\_\_\_\_) Mob. No.\_\_\_\_\_

Aadhar Card No.\_\_\_\_\_

Male/Female \_\_\_\_\_ Physical disability(Yes/No) \_\_\_\_\_

**2. Bank Account Details**

2.1 Name of farmer as in bank account:\_\_\_\_\_

2.2 Account No.\_\_\_\_\_

2.3 Name of Bank &

Branch Address:\_\_\_\_\_

2.4 IFSC Code \_\_\_\_\_

**3. Information about Land of farmer**

- i. Land Survey No. \_\_\_\_\_
- ii. Total Land detail:

SN	Village Name	Block	Khasra No.	Killa No.	Area (ha)
	Total Hectares				

**4. Water source : Well/Tube well/ Canal/ Tank (Please tick)**

- 4.1 Khasra No. & Killla No. of field having water source : \_\_\_\_\_  
 4.2 Motor HP \_\_\_\_\_ or Diesel Engine HP : \_\_\_\_\_  
 4.3 Pump head : \_\_\_\_\_ foot  
 4.4 Delivery : \_\_\_\_\_ (mm)  
 4.5 In case of tank dimension (l x w x d) : \_\_\_\_\_

**5. Quality of Water : Good/Brackish : \_\_\_\_\_**

**6. Daily availability of electricity to run pump: \_\_\_\_\_**

**7. Information regarding MI system installed previously, if any;**

SN	Khasra No.	Killa No.	Area in which system installed previously (ha)	System type	Supplier Name	Year of installation	Received subsidy amount

**8. Present MIS requirement:**

SN	Khasra No.	Killa No.	Area in which system proposed to be installed (ha)	System type	Spacing (mxm)	Crop

9. Selected MIS supplier : M/s. \_\_\_\_\_

10. I agree to undertake trenching work at my own cost as per design and hand over the farm site to the MIS supplier for installation of MI System. I also agreed to refill the trenches only after installation and inspection is over. The cost of this trenching work is to be borne by me.
11. I agree to construct suitable pucca platform as per guidance given by the MIS Supplier for creation of platforms for filter, fertigation tank, head control unit and also take up other involved civil works. The cost of civil work as above is to be borne by me.
12. I will provide suitable pumping unit, power and voltage adequate for running the pump at my own cost.
13. I will remain present at the time of physical cum trial run inspection to be carried out or authorize someone to present on my behalf & authorize him/her to sign the report.
14. After inspection of trial run, I will take over MI System from MIS supplier and issue satisfaction certificate in Form-5.

15. I agree not to change / modify / remove / dispose / resell the system during the 10 years period. I will note that department and/or MIS supplier will not be responsible for any consequences like Government contribution entitlement variation due to amendments issued by Government, reduction in yield, crop damages etc. arising out of such change / modification / removal / disposal / sale / damage of the system by me.
16. I will strictly follow the guidelines for system operation & maintenance given by the MIS supplier for successful performance of the system.
17. I will not lodge any false complaint / claim or to create any unpleasant situation and try to settle differences and disputes if any amicably and as far as possible at local level through concerned department and / or In charge/MIS supplier.
18. I agree to get MIS installed from the preferred MIS supplier, empaneled under the PMKSY and ready to pay the cost of MIS to registered firm.
19. I agree that I will care for the MIS system for a period of 10 years and would never sell or replace this system during the period mentioned. In any violation, I shall be liable to pay subsidy amount back to government agency.
20. Department and/or MIS supplier will not be responsible for damages of equipment's / instruments due to any act on my part.
21. I cannot create any lien / charge or transfer the MI system fully or any portion thereof.
22. Subsidy/assistance shall not be provided on optional components. If farmer install optional components in their field then he have to bear the total cost of optional component installed.
23. I agree to follow the guidelines of PMKSY issued by GOI and instructions issued time to time up to till date by the Horticulture Department.
24. I declare that whatever information I have given above is true and anymisleading information from my side makes me liable to pay the subsidy amount to the government agency.
